

Capital Concrete

Plant locations and lorry dimensions

Our dedicated team has over 100 years' combined experience in the concrete and screed industry. We have worked on London's most prestigious and complex projects and we really understand construction in London, so not only are you in excellent hands, chances are you know us already.

All our sites are QSRMC accredited and certified to ISO 9001, ISO 14001 and BES 6001.

You can discuss your next project with us by calling **020 3974 0520**

We are part of The Brett Group and The Breedon Group.
